

Menihek High School

Reasoning for a Dress Code

1. Student's dress is becoming inappropriate for school
2. The Menihek Staff are becoming very uncomfortable with the way that **some** students are dressing.
3. Both the students and staff need guidelines to follow for appropriate dress

- Clothing must be in good taste.
- Articles of clothing that are deemed offensive or inappropriate are not to be worn in school
- All outer clothing must cover under clothing
- Students must remove hats, bandanas, take down hoodies during the school day. (Must be kept in the locker
- All winter outerwear must be kept in the locker, not to be worn to class
