* Please note suggested completion dates are estimated and are subject to change.

<u>Evaluation</u>	
Task	Percentage
Tests	30
Labs / Activities	10
Science Project	5
Assignments/ Quizzes	10
Midterm Exam	15
Final Exam	30
Total	100

Expectations Regarding Regulations:

1. Students that miss an exam will be required to write the exam on a day and time designated by the teacher.
2. Students are RESPONSIBLE for work that is missed when they are absent, for any reason. The notes for the units are available on the MHS webpage. The student is required to find out what was missed on their own time from a classmate, do any required work and submit it in a timely fashion. Any work passed into the teacher late will not receive full credit.
3. All work is to be completed in an individual basis. Work that shares similarities will be considered as cheating/plagiarism and all students involved will receive a grade of ZERO.
4. Each term expect to complete a minimum of 1 test, 1 lab and 3 other pieces of evaluation.
5. Menihek's "Second Chances" policy will apply to evaluation pieces, provided the student is willing to put in the extra work and time required to improve the mark they want to replace. All requests for second chances must be in a timely manner.
