

**Dear parents and guardians of graduates, 2012.** The graduation church service will be held on Friday, May, 11 from 5:00pm to 6:00 pm with the parent/student supper following at 7:00pm. This is a free, optional, inter-denominational service where all parents, grandparents, family and friends are welcome to attend. As such, for planning purposes we are trying to ascertain how many students and family/friend members are planning to attend this function. If you could give me your best estimate on the total number of people from your family that would be attending this service it would be greatly appreciated. Please have your graduate return this form to my classroom by Friday Feb. 3. If you do not return this form, I will assume that you are not attending this function.

Thanks,

Mrs. A. Johnson
