Expectations:

1. Students that **miss** a test will be **required** to write the test **after** school on a **day designated by the teacher**.
2. **Students are RESPONSIBLE** for work that is missed when they are absent, for any reason. The student is required to find out what was missed on their time from a classmate, do any required work and submit in a timely fashion.
3. **All** work is to be completed on an individual basis. Work that shares similarities will be considered as cheating/plagiarism and will be subject to penalty
4. Menihek's "Second Chances" policy will apply to major evaluation pieces, provided the student is willing to put in the extra work and time required to improve the mark they want to replace. Requests for a second chance must be done in a timely manner.
