

Marine Institute

The MI is Memorial University's second campus in St. John's.

There are many options available to you at the MI. They include:

- Technical Certificates
- Technician Diplomas
- Canadian Navy Technician Diplomas
- Diplomas of Technology
- Joint Diploma of Technology/Bachelor of Technology
- Advanced Diplomas
- Bachelor Degrees
- Post-Graduate Certificates
- Master's Degrees

For specific details on each of these check out:

www.mi.mun.ca

You should apply for a program at MI as soon as possible, however there are application deadlines (depending on the program, the deadline dates range from March 1 – June 15th for September start date).

**** There is a separate application for housing. Apply early!**

Admissions:

Applicants should have successfully completed the graduation requirements for high school, with a minimum overall average of 60% in Math, English, and Lab Science. (Minimum of 60% in academic Math)

Scholarships and awards are available, for details check out www.mi.mun.ca/webcalendar
